Get the tools you need to help your business take off.

The workshop will help you with:

- ✓ Marketing/Competitors/Research
- ✓ How to write a good business plan
- ✓ Managing cash flow
- ✓ Overview of taxation and VAT issues
- ✓ Networking with other new business start ups
- ✓ Find out about Government-backed Start Up Loans

This one day workshop provides you with an overview looking at all aspects of starting and running a business from marketing and business planning to understanding financial aspects within your business. At the end of this workshop you will be able to undertake your own research to see if your business idea is viable, put together a draft business plan and have an understanding of profit and loss.

"All very useful and easy to understand"

"I have learnt a lot of things today that I hadn't previously thought about"

"Excellent information for starting your business"

Booking is essential for these workshops.
