## **DIGITAL FIRST NOT THE PROJECT FOR YOU?**

## **PERHAPS YOU CAN BENEFIT FROM ANOTHER UCLAN FUNDED SUPPORT PROJECT?**

### **UNITE WITH BUSINESS**

Add value and skills to your business through an injection of skills and knowledge from a university student or graduate.

### **NORTHERN LIGHTS**

Business support programme and incubation unit providing support to students, graduates and eligible businesses.

### **INNOVATION CLINIC**

Helping Lancashire businesses innovate and grow through the development of new products. Support is available to take ideas from concept through to market. This project is also part of Boost Business Lancashire.

### **DIGITME**

Free consultancy to manufacturing businesses with the aim of developing the North West's manufacturing sector.

### **INVESTMENT READINESS**

Investor-led input, investment readiness guidance and support activities with the objective of supporting potentially high growth, Lancashire-based businesses with demonstrably improved chances of raising 3<sup>rd</sup> party investment.
