

University of Central Lancashire

CENTRE FOR **SME DEVELOPMENT**

Access our expertise

Develop your workforce

Recruit our talent

Grow your business

The Centre for SME Development is a university-wide initiative providing comprehensive support to small and medium-sized enterprises, to give you that competitive edge and help you grow.

Based in the heart of Lancashire, we're committed to helping businesses and social enterprises. We value our civic responsibility and are devoted to improving the regional community by stimulating economical and societal change.

Let us help you fulfil your strategic ambitions whilst nurturing and growing your business.

As a gateway to the University of Central Lancashire, the Centre enables you to access:

- World-class expertise
- Topical networking events
- Bespoke training, leadership development and CPD
- Innovation and growth through business support programmes
- Tailor-made consultancy based on the latest research
- Student and graduate talent bringing fresh ideas and the latest knowledge
